For over 50 years, we've been helping the construction and manufacturing industries **build confidence** in the solutions designed, created and implemented **throughout the entire supply chain**.

The BBA develops **long-term partnerships** with clients and associations to enable **continued growth in both the UK and Global marketplaces**, while remaining reassuringly impartial.

As a for-profit organisation Limited by Guarantee, the BBA looks **to reinvest in the industry as a whole** for the benefit of all stakeholders.

- Procurement quality and safety
- Dangers of focusing on price
- Tendering and contracts - there to be broken?
- An opportunity to share your voice
- Q&A

When we talk about procurement methods in construction what are we talking about?

How can procurement determine the quality and subsequent safety of a project?

What are the dangers of working within a system that focuses solely on price?

Breaking tenders and contracts - Adding fuel to the fire or is it healthy competition?

Procurement survey -
explain what it is and
why it's needed?
